B.,

Well, here we are at the veritable crossroads of our life. What an uncomfortable feeling it is! Knowing that your fate lies in the hands of that blind population we know as society! We have through an incredible amount of exploration together. I don't know how I'll ever cope with the end of that era. Remember the video age? We were a part of it, with our Snatcha Laska machine. Too much, huh? And never forget that it was I who escorted you to your very first drag show at the world-renowned Rainbow Connection. How often we have discovered new heights of awareness within each others company and sometimes that awareness may not be a common thing later in life. At least we have the memories of getting together and commenting with nature on many occasions, observing and taking walks through the city, enhancing our awareness of the future" as a "text belugs", communing with Deals on many a desperate at the T.T. pep rallys, observing and commenting on our society in reserving to Denny's Drive-In that! I can't fact, we've been through so much together so much enough of that! At first I ensured in my emotions. But eeeven this page, but since I friend than you, so I don't try! At first I occasion. I'll just take up a corner of this page with me, I think your talons I might take up just to share this page with me, I'll find a better thought I'll never know what hit it! How long have we been forget our toga experience I'll never certainly crammed a lot of experiences that matter, there's Sounds fishy, For only two years?! We have the Greek Roman Festival, and your beautiful your book'll short time period, haven't we? I won your costume contest! Backus into Festival (Yea Me! I know who at the Smith had a hand in it!). For that person I know and his "Dragon Eyes" at the only person I know who sculptured crystal. I just know you're the only person who would spend sixty dollars for a piece of crystal, even if it is in design. But then, that's just your style showing through again. How often it has done so, even if sometimes accompanied by a little deserved arrogance. Do you realize how long I have been signing yearbook? Years from now, as you read this, I'm sure you'll hope you appreciate my efforts (Though I'm approaching the inevitable Well, it looks like I'm just doesn't have to end of this transcript. I could continue be this way, though! I really wanted me onward, if you're convinced me! to. Okay! I'll meet you on the next page . . .

really have! As a closing note, I'd like to share with you a tad of prose that I wrote on the last day of school your Senior year. It goes something like this:

The time is gone I spent with her.
The mutual respect no longer shared.
Tokens, statements, promises, and lingering days ahead
Have shattered me from the fate.

Too real the fact remains.
Mother duck has lost her ugly duckling.
The wings spread wide behind me, and,
I pause before the flight.

The swan I am, but lonely,
An outlaws flight before me.
The heartbeat calls, but
Slowly I turn my head.

Am swan denied.

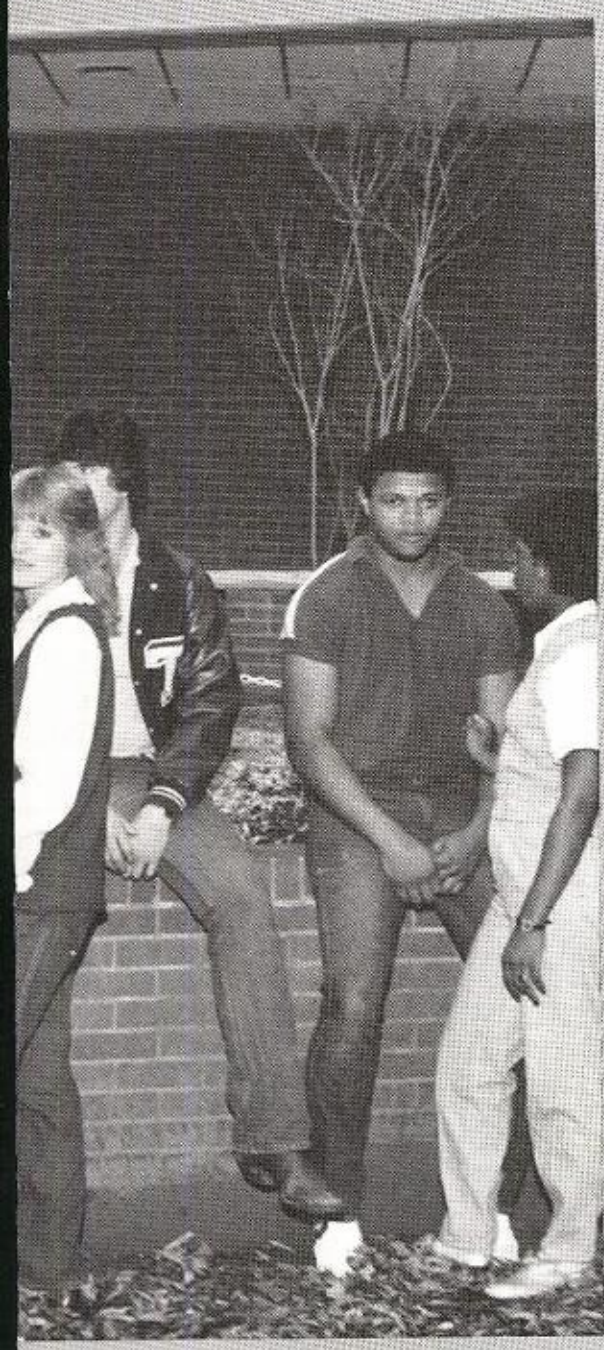
. . . At John Tyler

In the first pep rally of the year, all of us were Checking Out the scene when Bob Phillips presented to the student body a Lion mascot in honor of his wife, Mary Jo. We were all excited to be the recipient of the gift.

A new emphasis was placed on computer literacy during the '83-'84 school year. Courses were offered in Computer Math, and Word Processing Class as well as the establishment of a new program, JROTC. The Vocational Office Education received five CPT Word Processors, so students were given training on the keyboard with personal instructions. This was really a learning experience for the students involved.

An assembly for the Junior Class to order senior rings was held. Representative Bill Henderson from Balfour Ring Co. attended. We Checked Out everything including spring sports, the awards assemblies, our own GPA, our prospective college and finally closed with JT's Graduation. We found that 1984 was the best year ever for the Lions.



Drama students laugh and have fun on the way to a contest at Bryan Adams High School in Dallas.

Proud Are We

What is school spirit? Is it the way one feels when a well-earned touchdown is scored, or can it be the pride displayed by the Marching Lion Band? Perhaps, it's just the will to win. Sometimes, it is a tear that finds its way down the cheek of a graduating student.

The John Tyler High school spirit is all of these and ten thousand more. Ours is a tradition in the proudest form. Our spirit lives by the willingness of every student to do his best in upholding the honor of our past and setting a pace that secures honor for the future. There is a feeling of pride when the words, "John Tyler High School," are spoken. This is the heritage of all JT students. The past is sacred, but the present is precious. A head must never fall in shame, a foot must never falter, and dignity must never be lost.

Looking Good in '84

As students mingled with their friends, they displayed a mixture of looks for 1984.

Some chose sweaters and baggies to continue the "preppie look." Mini skirts as well as colored hose and pumps returned to the fashion scene. The western attire caught the eye of the cowboys and cowgirls of today. Boots and hats made the western look as well as shirts and belts.

The Tyler department stores carried the appealing mini skirt, a must for any girl's wardrobe. In the shoe category, pumps became a favorite with some JT students who bought them in all spring hues.

Vocational Education is one of the opportunities given to juniors and seniors to learn about a profession and at the same time continue with classroom study. The program includes Distributive Education, Vocational Office Education, Industrial Cooperative Training, Health Occupations, Home Economics Cooperative Education.

Students taking these courses have 7:30 classes and get out of school at 11:38 to go to work. Mikki Sanchez said, "It makes me feel independent to make my own car payment and being able to buy my own necessities. I really enjoy it."

These types of courses teach students how to balance a checkbook and how to keep up with profits and taxes.

National Honor Society Taps 43 New Members

Forty-three students were recognized on March 29 when new National Honor Society members were inducted at the ceremony held in the Theatre.

Marla Ford, a 1981 graduate and former NHS president, was the featured speaker. The evening was highlighted by speeches from Anthony Brown, invocation; Julienne Butler, welcome; and Terri Elrod, review of projects.

Principal Joan Brooks introduced Ford. Vicki Bennett gave recognition to current members, and Denese Steele closed the ceremony with the benediction.

National Honor Society officers are Julienne Butler, president; Terri Elrod, vice-president; Susan Grindle, secretary; and Michael Barrett, treasurer.

Senior members include Sharon Branscum, Anthony Brown, Shannon Everhart, Rebecca Freeman, Julie Rozell, and Denese Steele.

Brandon Criswell, Chet Dingler, Denise Edwards, Robyn James, Ramana Jones, Rozell Jones, David McLeod, Latrice Rhinehart, Andy Smith, and Lynn Taylor are junior members.

Newly inducted seniors include Butch Adams, Angela Barry, Glen Bickerdike, Jesse Campos, Robert Cantrell, Kelly Cluis, Allen Day, Dahlia Dotson, Lisa Freeman, Eugene Gehring, Michele Havens, Julie Hilton, Chris Jerger, Lynn Mann, and Alfred Mathis.

Also included were Michael Matlock, Curt Priddy, Jeanelle Pruitt, Sloan Regas, Christina Schultz, Michelle Sigler, Kimberly Sluder, Alfred "Chip" Smith, Carmen Stokes, Julie Stout, Myriam Victoria, Eva Wallace, Kevin Wells, and Kimberly Wilson.

"Juniors and sophomores must have an average of at least 90 and must show active school support," said Bennett.

Juniors inducted were Amy Cohen, Paul McCown, Jodie Page, Sangita Patel, and Kristy Swan.

Sophomores selected were Stephanie Blissite, Melissa Bumpers, Jessie Grubb, Mark Jerger, Melinda Morris, Carl Nunn, Susan Smith, Lola Starling, Jill Wilkerson, and Jeff Williams.

New members received a membership card as old members received a certificate. New members, along with old members, will attend bi-monthly meetings. At these meetings students will decide on monthly service projects. One event planned for April is an Easter egg hunt for children of faculty members.

Paints, Props, And Poise

The fall production by the International Thespian Society consisted of two plays: "A Doctor in Spite of Himself" and "The Eden Echo." The first selection, "A Doctor in Spite of Himself," portrays Sganarelle, played by Steve Carvajal. The woodcutter quarrels with his wife, Martine, portrayed by Lara Henderson. "Playing the part of Martine was very interesting because of her uniqueness and her ability to be independent," says Lara. Martine vows to get even with her husband. Her chances come when she meets two servants in search of a doctor to cure their master's daughter. Martine recommends her husband in the most glowing terms as a doctor who can perform miracles. He warns them that he will have to be beaten into it. The two men hail Sganarelle as a great doctor and whack him roundly with sticks whenever he attempts to deny it. They force him into becoming a doctor in spite of himself. Fortunately, the master's daughter is only shamming illness to avoid a distasteful marriage. When Sganarelle is able to unite her with her own true love, she is miraculously cured. Doctor Sganarelle is richly rewarded.

Drama Presents Ethan Frome

The presentation of **Ethan Frome** on March 29 was one of the highlights for Theatre Arts students. The play was the University Interscholastic League play selection for competition in Nacogdoches. All high schools in 13 AAAAA UIL participated in this event.

The script for **Ethan Frome** was developed from the Edith Wharton novel. The story concerns the farmer Ethan Frome, his complaining wife Zenobia, and her young kinswoman Mattie Silver. In the play, Ethan and Mattie grow to love each other but have no hope of ever having a life together. With such a dreary prospect for their future together, they choose to ride down a hill on a crazy snow-sled to meet death against a tree.

The UIL play, directed by Helen Jack, brought students more acting awards than students from any other play cast. Sophomore Lara Henderson was awarded Best Actress plaque and medal. Senior Kim Rich was selected as a member of the All Star Cast, and junior John Barnes received an Honorable Mention All Star Cast award.

Cast members included Allan Nusbaum, Steve Carvajal, Barnes, Rich, Paul Hurley, Henderson, Lester Hooder, Samuel Priddy, and Lori Meadows. Crew members consisted of Angela Barry, Barry Hopson, Ruben Ballesteros, and Kim Mahan.

JROTC Salutes 'All the Way'

Junior Reserve Officers Training Corps began its first year of existence with Major Benny Archuleta as Senior Army Instructor. Later, he was joined by Sergeant Rainey Powers.

There were 124 cadets initially enrolled in Alpha Company and Bravo Company. The corps consisted of 80 males and 44 females. Leadership positions were filled by cadets voluntarily taking an exam of the cadet's choice. Final decision was based on the cadet's leadership abilities and judgemental character.

Officers, serving on the Battalion Board and special staff, were Doug Ryan, Battalion Commander; Michael Cooper, Battalion Executive Officer; Lynn Mann, Adjutant; Phil Cornett, Intelligence and Publications Officer; Lindsey Miller, Training and Operations Officer; Chris Campbell, Supply Officer; and Carl Nunn, Public Affairs Officer. Company commanders also served on the Board. Allan Nusbaum was commander of Alpha Company with Kirk Cook, executive officer; Matt Childs and ReBecca Watkins, platoon leaders. Sean Cole was commander of Bravo Company with Brian Curtis as executive officer and Mark Frick and Hank Parsons serving as platoon leaders.

Among the many firsts for JROTC were the Veterans Day Assembly, the Christmas Parade march, and the ushering at basketball and organizational meetings. The corps also assisted guests and representatives on Career Day. The corps held a Military Ball and annual picnic.

Some cadets evolved into specialized teams in the corps, Drill Team, and Color Guard. The Drill Team competed at Shreveport, Louisiana, placing eleventh out of 39 teams. The Color Guard made their official debut at the Veterans Day Assembly and the Earl Campbell Relays.

Several cadets went over to Longview during the spring semester to observe the Lobos Annual Formal Inspection. The culmination of the year came when the Officers Club was formed with two cadets promoted to officer status.

Promoting Spirit

Two support groups which were instrumental in promoting school spirit were the Cheerleaders and Lion Guard.

The Lion Guard, a service organization founded in 1973, was available during the year changing the Marquee, filling the coke machines, and displaying the school mascot cage at various functions. In addition, they were responsible for raising and lowering the American Flag each day. The Lion Guard was led by captain Chris Jerger, John Barnes, Steve Carvajal, Barry Clark, Billy Hayes, Mark Jerger, Coby Mosley, Shelby Prince, Herlon Ross, Andy Smith, and Sam Walker. Wayneard Nellums, Sr. sponsored the organization.

Sandy Adams directed the cheerleader organization, the school mascot, and the all school pep rallies. The Cheerleaders, elected during the spring of 1983, attended summer cheerleading camp to learn new yells and special techniques for rally motivation. Their responsibility included the planning of timely skits for rallies and providing speakers each Friday during football season. Their work continued as basketball season began. They were the voice and the spirit of JT at all times.

UIL Rates Marching Band With a One

The roar of the crowd sweeps across the stadium as the 184 piece band sounds its first note of Cordoba. Each member preparing to relay the 2,865 movements, must display the pride that has been passed down from year to year.

This year, the Marching Lion Band was the first corps band to receive a division one rating at University Interscholastic League contest. This was also the first division one rating since 1978. The Big Blue Band performed in front of a panel of three judges at Henderson. Director John Samples said when the rating was announced, "I started to throw my hat in the air, but I knew 184 hats and plumes would have followed."

Under the direction of Head Drum Major Debbie Johnson, Assistant Drum Majors Karol Gabriel and Gaytha Williams, the band performed a ten minute show to tunes of *Cordoba, Siracco, Show Case For Band, and Climb Every Mountain.* The main crowd pleaser was Show Case for Band which included an all band hand wave routine. The show was highlighted with diamond formations, accents of diagonals, and full band salutes.

After marching season, the band's concentration concentration was centered on solo and ensemble, the Christmas Parade, and concert contest.

With the support of parents and community, the Marching Lions were participants in the Parade of Champions at the Cotton Bowl on October 22. They placed fourth out of nine bands. Twenty-Four students placed in All Region Band. The band also earned a first division in the annual Rose Festival.

Long hours and hard work were part of band participation. During marching season, members met on the practice field. Whether it was raining or snowing, they drilled their routine for Friday's night game. Giving 110 percent effort was a must in order to keep an organization this size together. According to Samples, the following characteristics were developed in band: physical coordination, discipline, pride and recognition, team work, interest and service.

"The band became something of a family where everyone was accepted as an equal. The students learned the concepts of democracy, leadership, sportsmanship and fair play, and developed good citizenship by teaching emotional stability, self control, and dependability," said Samples.

The concert and sight reading contest also took many hours of work. Arriving at 7:20 and leaving between 5:30-7:30 became the average band student's day. The Symphonic Band, under the direction of Samples, performed *The Klaxon March, Irish Tune From County Derry, and Celebration Overature.* The concert band, under the direction of Timothy Zamora, performed *National Emblem, Dedicatory Overture, and Origional Suite.*

With the completion of tryouts the band members focused attention on the annual Twirling Festival. With the help of parents and students once again, the festival was a success.

The band hosted an honors and awards banquet May 5 where numerous awards and recognitions were presented. The seniors left Last Wills and Testaments to underclassmen.

This has been an outstanding year for Big Blue Band with many accomplishments gained. As the seniors fade into the west, the winning tradition, of "the Pride of East Texas" will be carried out by the newly elected officers and members.

The Brigadettes had a busy year with many activities and projects. Officers were Angela Barry, Dee Hanson, Sonia Pfutzenreuter, Melanie York, and captain Linda Pardue.

The Brigadettes began early by attending summer camp at Southern Methodist University. While attending camp, Brigadettes won a first division trophy for the chair routine. Pardue was selected as a member of the Superstar Team. She performed at Hawaii's Aloha Bowl and marched in the Cotton Bowl Parade.

Each Friday night, the drill team geared their energy towards halftime shows. After football season was over, the Rose Parade and the Christmas Parade were main events for the group. In January, the Brigadettes hosted a one-day clinic taught by Superstar Team instructors.

National Drill Team competition, held in San Marcos, was attended in February by Brigadettes. Officers won a first division trophy for a jazz routine. The Brigadette line won a first division for jazz, pom pom novelty, and kick routines to give the group the Sweepstakes trophy. Pfutzenreuter was a semi-finalist in Miss National Drill Team competition.

In spring, drill team and officer tryouts were held with 48 girls selected. The Spring Show, "Spring Fever," was held in May. This gave other organizations as well as drill team a chance to put their talents together.

Freshman and sophomore Blue Brigade had a full year, supporting football and basketball games. Sophomore Blue Brigade attended JV and Varsity games. Both groups performed at games and marched in the Rose and Christmas Parades. The drill team and Blue Brigade were volunteers for the Disabled American Veterans, Lions Club, and the March of Dimes.

SC Coordinates Activities

For Student Congress, 1983-1984 was busy. The year started out August 22 with Freshman Orientation in the Varsity Gym. October 7, the night of Homecoming, Lion Guard helped set off balloons. The evening's activities were planned by Student Congress who coordinated the activities as well as elections for Homecoming Queen.

Soon afterwards, they sponsored the Spirit Chain Contest with each link selling for 10 cents. One link was pulled for each grade, and each winner was awarded a copy of the 1984 Alcalde.

On November 11, the Student Congress sponsored the Veterans Day Assembly where JROTC honored graduates of JT who had been killed while serving their country. Taps was played by Brent Gimble. Angie Wells and Anthony Brown read the names of those former students who had died in various conflicts.

The Student Congress was also responsible for the Kiwanis and Brookshires canned food drive.

Student Congress Officers are: Shannon Everhart, president; Denese Steele, secretary; Anthony Brown, vice-president; and Bill McGoff sponsor.

Lions Look to Bright Season in '84

In an effort to end the season on a positive level, the Varsity football team defeated crosstown rival Robert E. Lee, 35-7. The victory, sweet for a short time, had no effect on the season's 7-3 standing. The district title was grabbed by Longview's Lobos who earned a 9-1.

Despite the season's setbacks, the Lions still encountered several bright spots.. Defensive coordinator Jimmy Franklin said, "We had the best defense in the district, and our defense was ranked fourth in state." Good attitudes, hard work and confidence will make the Lions better in the future."

Several players highlighted the season. They were starters Stanley Smith, Keith Loosier, Robert Cantrell, James Lowery, Mark Pike, Dale Dixon, Anthony Lemmons, Andy Tucker, Fred Booker, Anthony Brown, John Samples, Michael Jones, Tyrone Jones, Wyatt Ross, Kelvin Newsome, and Glen Bickerdike. Those awarded athletic scholarships were Cantrell, Texas Tech; Brown, Tulsa University; Smith, North Texas State; Lowery, North Texas State; Loosier, Texas Christian; Booker, Texas Southern; and Jones, Texas Southern.

Coach Franklin was named head coach by the Tyler Independent School District's Board of Trustees on March 15. He replaced Bill Parks who resigned on November 28.

Franklin said that he is hopeful that John Tyler will have a winning season in district play during the fall of 1984. The 18 returning lettermen as well as a Junior Varsity district winner in 1983 will provide the experience needed for the coming season.

The Blue-White game which followed Spring Training brought football to a close. The May 18 event drew student support as well as backing of various spirit groups. The clash gave Lion fans an opportunity to view the new team under coach Franklin and his staff.

An All Sports Banquet, held in the JT cafeteria on May 19, culminated the year with recognition not only to members of each athletic team in girls and boys sports but honored the most outstanding athlete in each sport. North Texas State head football coach Corky Nelson delivered the key address to Lion athletes, coaching staff, and supporters.

Making Thei

The two sports of soccer and tennis grew and improved in 1984. Players found that good sportsmanship and team work were more valuable than always winning.

Still in its early stages at John Tyler is soccer. The soccer program has taken hold and made a place for itself.

The varsity team, made up of twenty-five members, included players from every grade. Age had no priority. The team, mainly underclassmen, consisted of freshmen and sophomores.

Varsity soccer finished sixth in district with 1-10-1. The season record was 4-17-1. Although their records were not what JT students are used to seeing, coach Pat Moore stated that younger players coming up should have a better showing next year. The Junior Varsity's season record were 3-2-1. Placing third in district, the JV team should develop some skilled varsity players.

The vigorous sport of tennis leaves many gasping and exhausted but not the tennis players of John Tyler. According to Coach Early, 1984 has been a year of building with each player showing improvement.

District games began in March with tournaments scheduled through April. Members competed in Van, Lindale, Saline, Gilmer, Gladewater, Kilgore, and Nacogdoches, as well as games on JT's home court.

Most students came to the team with no previous experience in tennis. 'With this in mind, the team has done well,' said coach Early.

Winning District Hono

By Norris Thomas

The Basketball Team captured 13 AAAAA District for the second consecutive year. The Lions, coached by Billy Lawson and Don Miller, dominated with a 12-2 record and a season record of 24-5.

The Lions, after winning their first game against Texarkana, were forced to forfeit due to an ineligible player. The forfeit didn't affect either the team's confidence or their playing abilities. Their only loss was to the Dragons of Nacogdoches. The Lions took their playing abilities and confidence to Bi-District play-offs. They had hoped to go further than Bi-District, but disappointment was to come to them once again. For the second consecutive year, their hopes of a state championship faded away. They lost to defending state champions, the Bryan Vikings, 67 to 59.

The Lions were led by five of the best players in District. All five starters received honors by either being selected on the Tyler Courier Times and Telegraph All District teams or the All East Texas District selection. These five starters were sophomore James Johnson, junior Fred West, senior Lewis Nicholson, senior Charles Black, and senior Stanley Smith. Johnson led the team in scoring with a season total of 580 points, followed by Nicholson with 273 points. Johnson received several other awards including "Newcomer of the Year." These five starters didn't win the district all by themselves. They had several good players to back them up. Players that saw action were senior Anthony Sowells, junior Curtis Mask, junior Robert Ingram. Coach Lawson received the honor of "Coach of the Year," by the Tyler Courier Times and Telegraph.

'84-'85 looks almost as promising to the Varsity team. With seven returning lettermen and several good players from Junior Varsity level combined with good coaching, who knows? The Lions might win District three straight years.

Basketball Continues Winning Tradition

Why does the Varsity continue to be so successful? The question is easily answered since they are backed by a District JV Championship this year. The JV completed a 28-1 for the season.

In the five years that coach Don Miller has coached, there has never been a losing season at JT. Miller was cited in 1984 and honored by The Tyler Courier Times and Telegraph for winning consecutive games and seasons.

Highlighting the season for JV were sophomore Chester Vaughn who led the team with 168 points, followed by sophomore Brad Haggerty, 164 points. Sophomore William George paced close behind with 146 points.

"Several players from JV will be promoted to Varsity next year," said coach Miller. Miller also said that this has been one of his best teams since he has been JV coach for the Lions.

The freshmen teams also turned out winning records this year. The Blue team, coached by Johnny Brazile, had a record of 14 and 1. The White team, coached by Mike Millings, completed the season with a record of 17 and 4.

Lady Lions End Season With 9-13 Record

The Lady Lions' Basketball season ended with a 9-13 record.

The Lady Lions captured the Consolation Trophy at the Pepsi Cola Tourney in Mesquite with a 83-39 victory over West Mesquite. Then, they traveled to Bossier City, Louisiana for the Red River Classic Tourney. There they were defeated by Hunington High of Bossier City, 57-51. Hunington later played Longview's Lady Lobos for the first place trophy and were defeated, 67-79.

The Lady Lions had Gail Jackson make the All-District 13-5 A Team, averaging 14.8 points a game. Torian Griffin and Joyce Johnson made the second team. Karen Jennings, Valencia Moore, Shelia Mosley, Angela Jones, and Tisha Jackson made honorable mention.

The Lady Lions lost five starters this year, but they will have a young, talented, and competitive team next year. Coach Frances Harold is looking forward to a very good year. The ninth grade teams were first and second in district, and the Junior Varsity was second.

The Track Team won five of eight track meets during the school year. The team took seconds at Richardson and the Robert E. Lee competition.

Third place honors were taken when the team traveled to the Southern Methodist University Invitational. A second was earned at district through a team effort. Twelve students qualified for regional competition. The week following the district meet, the Lions took a first at regional. Two members of the Lion team traveled to Austin, Texas as contenders for state honors. Stanley Smith earned a first at regional with a time of 14.00 in the 110 meter high hurdles while Mon White took a second in the 440 meter dash with a time of 47.60. In state events, Smith placed eighth in the 110 meter high hurdles, and White had a sixth in the 440 meter dash.

Even though the track program will graduate six men, there are 20 lettermen returning for the 1985 team. New head track coach James Smith is proud of the team's accomplishments. He believes great things will happen in 1985.

Selected and honored at the All Sports Banquet were Anthony Lemons, outstanding sprinter; Ray Lee Johnson, outstanding cross country runner; and Robert Cantrell, outstanding field person.

Running for JT at District and Regional

Although their hopes and dreams of going to state were shattered, the Lady Lions left Hanby Stadium with their heads held high.

The many hours of work that the Lady Lions faced each day had finally paid off, for some of the girls would be competing at regionals. The 400 meter relay of Dorothy Duncan, Tammy Wilkerson, Floria Lollar, and Cassaundra Hagler along with the mile relay of Cozetta Lewis, Rhonda Lane, Lollar, and Hagler advanced to regional competition in Dallas on April 18 and 19. Also to advance to regionals was freshman Wartiki Fletcher in the mile and 800 meter run, and Lewis in the 400 meter dash.

At regionals, both relays earned positions in the finals. They failed to qualify for state. The 400 meter relay finished fourth with a time of 48.9 while the mile relay finished fifth with a time of 4:04.

Although Fletcher and Lewis failed to qualify for finals, they still proved to be true Lions.

The season started off with the Lions traveling to Dallas Pinkston where the team placed eighth out of 20 schools. Next, the team competed in the Robert E. Lee meet at Rose Stadium and took a second with Texarkana earning the first place. The third meet for the Lady Lions was the Keller Invitational where the team earned a fifth place. Then, they took another fifth at the Richardson competition. In the Earl Campbell Relays, the Lady Lions dominated as the winner in all events. District competition on April 5 gave the Lions a team score of second with Texarkana taking first.

Track members included Sharon Phelps, April Patillo, 100 meter low hurdles; Rosclyn Evans, Wartiki Fletcher, and Gail Johnson, the mile and 800 meter; Portia Butler, Felicia Washington, 100 meter dash; Gail Jackson, high jump; Kim Roan, Tonya Franklin, triple jump; Toni Mobley, Angela Jones, Lisa Runnels, shot put; Cecelia McCalister and Felecia Daniels, discus; Dorothy Duncan, Tammy Wilkerson, and Rhonda Lane, 200 meter dash; Floria Lollar, Cassaundra Hagler, and Cozetta Lewis, 400 meter; Carla Holman, Sharon Hawkins, and Sheryl Ross, managers.

JT Lions Win Over Red Raiders

Lion baseball, under coaches Ray Nye and Don Miller, finished the season with a record of eight wins and eleven losses.

The Lions, after winning 13 and losing eight in 1983, lost seven starters due to graduation and were faced with a rebuilding season in 1984.

Seasonal highlights included the defeat of state play-off bound Lufkin 2-1 and a 10-1 victory over the Raiders of Robert E. Lee. The JT-Lee game ended the season, and the Lions who had a district record of 6-8, finished in fifth place.

Senior Stanley Smith, leading the offense with a batting average of .553, was chosen as the Short-stop for the first team in All District 13AAAAA. John Samples, pitcher, was selected as the second team All District. Seniors Dale Dixon and Chip Smith received Honorable Mention on All District.

John Samples, Chip Smith, and Dale Dixon were named as Captains for the Lions.

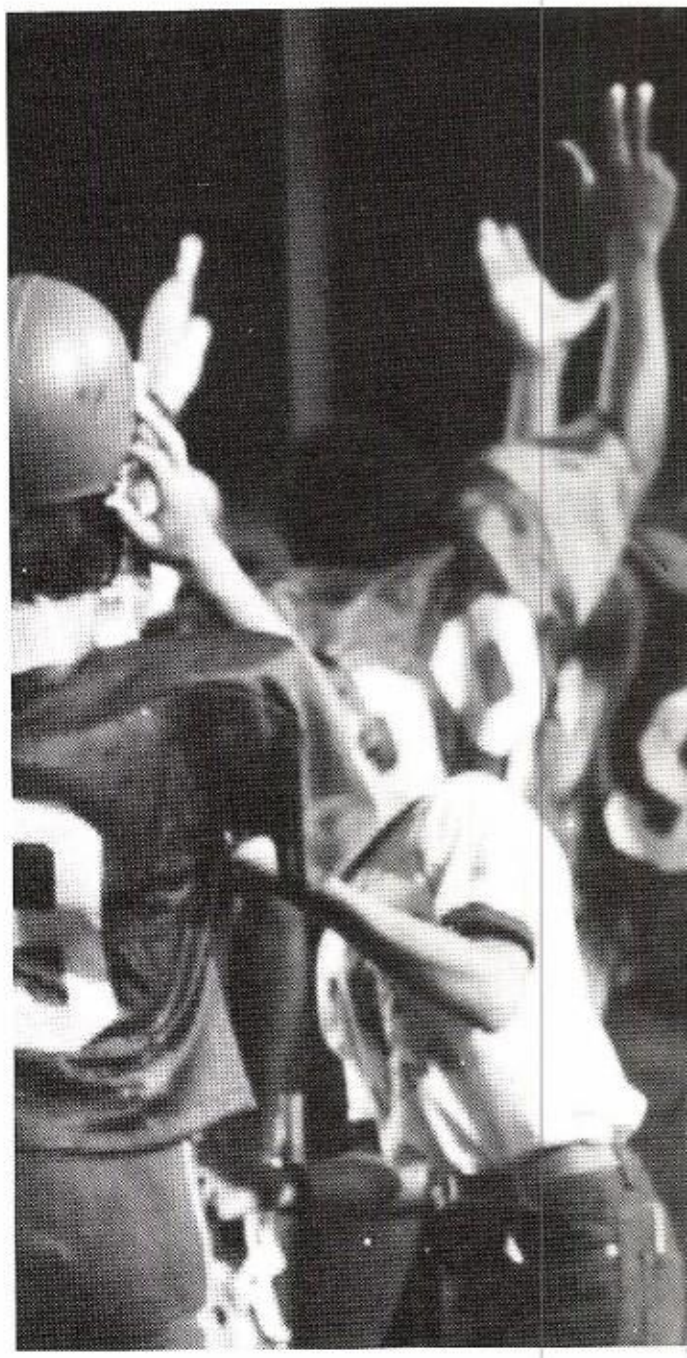
Not Knowing What Life Holds for Us



The Senior Class developed in their four years at JT a special quality. Some say that it was a closeness which has made this class different and special.

One of the highlights was Senior Assembly where seniors got their chance to loosen up and be themselves. We won't forget those crazy skits or those embarrassing incidents as well as the serious moments. Another special memory to all of us was on April 20. The day was special because it was Senior Prom night at the Sheraton Ballroom. The theme, "Up Where We Belong," brought everyone out for the dressiest and most fun evening of the year. The event gave seniors a time to spend an evening with that special person as well as a time to dress up in formal attire. Graduation arrived before we realized what had happened. Time began to fly. The graduation ceremony was held May 25 for 354 students. The dress for this occasion was traditional blue cap and blue gown.

Some of us found it difficult to say our goodbyes, especially to those new friends who had moved in from out-of-town. Many of us exchanged addresses and promised to meet again. There were tears and farewells. Some planned for college in Texas, some made decisions on jobs, and others decided on marriage. All in all, it was a time of decision-making for many of us.

Our closeness will remain because there was no other year like this one. These memories will last a lifetime.

We recognize three people who have helped to make our four years at John Tyler run smoothly. We will never forget Mrs. Joan Brooks, principal; Mr. Charles Craddock, assistant principal; and Mrs. Flora Nauls, senior counselor. Also, we would like to recognize our officers. They were Jeanelle Pruitt, president; John Samples, vice president; and Felecia Madlock, secretary. But, most of all let's give the seniors some praise for working together to make it the best year ever. Remember, the "Good ole John Tyler High School Spirit," Proud is our Pride in '84.

One More Step

As other juniors before them, the John Tyler '83-'84 Junior Class devoted the year not only to preparing themselves academically for their final year, but getting ready mentally for their long-awaited college years. Juniors were encouraged to take the Scholastic Aptitude Test and the American College Test. Also, College Night was held to let students learn more about the college of their choice.

The '83-'84 Junior Class had several outstanding students. Among them were president Kenneth Arterberry; vice-president Doug Ryan; and secretary Renee Hudnall. Andy Smith was chosen as junior representative for Presidental Classroom in Washington D.C. Junior representative at the Sam Rayburn Public Affairs Symposium was Chet Dingler. The Girls' State representative was Renee Hudnall, with Denise Edwards as the alternate. The Boys' State representative was Doug Ryan, and French Taylor served as the alternate. State qualifiers in Band were Barbara Salinas, Michael Coker, and Ramana Jones. These people were able to show their musical abilities in Austin, Texas during the spring months.

The juniors also sponsored the annual Sadie Hawkins dance this year along with the triumph over the seniors in the annual Junior-Senior Powder Puff game. Players were Jennifer Denton, Tracy Nobles, Sharon Middlebrooks, Lauretta Arps, Marvena Garrett, Renee Hudnall, Alicia Sheffield, Pam White, Ophrie Barrett, LaDorris Sessions, Kelley Melton, and Kim Roan. The coaches were Tyrone Jones, Kenneth Arterberry, Andy Tucker, Robert Gaines, and Clay Hudnall.

This year's sponsors of the Junior Class were Mrs. Leona May, home economics; Mr. Jimmy Jennings, junior class principal, and also Mrs. Lauree Burkett, junior counselor, who has helped us prepare ourselves for our lives.

The junior year is a very important one. We are all growing up and looking forward to GRADUATION. It's hard to think that we've climbed eleven steps, because when looking back, and looking forward, one sees so many decisions ahead. So here we are, at the top at last. Here we stand, the strong, the proud, the courageous, the Junior Class of 1984.

Sophomores Have a Difficult Position

The Sophomore Class had a smooth running year with many accomplishments and outstanding students. After two years at JT we feel at home and know our place. Sophomores will work and look forward to becoming seniors and reaching goals that we have set. To at last have the title of "Senior" will be a reward in itself. With our spirit and unity we will be a class honored and respected. John Tyler has always excelled in all areas and sophomores claim credit for the contributions we have made. Sports as well as academics have been pursued by many sophomores, and they have been successful in their pursuit.

Leading the sophomores this year are class officers: Angela Choice, president; DeAndrea Thornton, vice president; and Rachel Evans, secretary. Also "keeping us in line" is our Principal, Mrs. Jane Holbrook. Mrs. Holbrook was selected as a new principal the same year that we entered John Tyler.

The traditional Sophomore vs. Faculty Volleyball game was held this year, providing us with some new funds to add to our savings for our senior activities in 1986.

Several sophomores won recognition for achievements that they have made this year. From the art department, David Gutierrez earned many art awards. David won a blue ribbon at the PTA contest. He won first place within the Tyler Independent School District and then went on to win district. From here, David will continue and go on to state and nationals. Also, he took honors at the East Texas Fair in October winning second place. David does commercial artwork for the Tyler daily newspaper and for Caldwell Zoo.

Sophomore drama students acted their parts and brought recognition to our class. Lara Henderson and Paul Hurley both starred in the fall production of "Doctor in Spite of Himself." In Mineola, blue ribbons were won by Lara for reciting poetry, and Paul for an improvisation and a duet. All contests and festivals were attended by Paul and Lara this year, setting the path for more awards in the years to come.

Mrs. Connie Griffin's Honors World History Class is most unique. "The whole class always goes above and beyond, giving every project an indepth study," according to Mrs. Griffin. For one project, Becky Ansley arranged to interview an Egyptian which meant going to Dallas on a school day to conduct an interview. She found out how he felt about America in relation to his country. Becky, along with Missy Bumpers, Brian Curtis, and Michael McClellan staged a trial for King Louis the XVI. The trial gave the class an idea of how much preparation and research is involved in law work. McClellan, a student in this class, was the winner of the Hugh O'Brian award.

James Johnson gave the Sophomore Class as well as JT something to take notice of. Johnson started on the Varsity Basketball Team and showed his amazing talents in basketball. He has the support of his class and will continue to keep it with his athletic abilities.

Susan Smith, our only sophomore majorette, performed with enthusiasm at football games and rallies. With the end of football season drawing near, Susan gave it her all at the UIL Marching Contest in Henderson, where the Marching Lion Band received a I.

Robin Gablemann ponders over whether to try the cafeteria food or not.

Inez Freeman would rather have a private conversation.

Students from Boulter, Dogan, Hogg, Moore, and Stewart met new classmates for the first time on August 23. The occasion was Freshman Orientation at John Tyler.

For some it was their first time to even come to the campus, and for all of them it was the beginning of a whole new way of life, the high school scene. The next day, however, the former Falcons, Gophers, Mustangs, Vikings, and Razorbacks became involved in discovering the traditions and history of John Tyler High. "The first day was confusing," said freshman Melanie Isabelle. "I walked around looking for an upstairs class when I suddenly realized I was downstairs." Several other freshmen, like Rodney Smiley, reacted with, "It wasn't that great at first, but I like being in high school."

Another new student, Tanya Williams, said that she liked being a freshman because it gave her a chance to prepare herself for the next three years. Others, like Sheila Skidmore, found school fun because there were activities.

Among those organizations that freshmen found open to them were Art Club, Band, Blue Brigade, Choral Music, Future Farmers of America, French Club, Future Homemakers of America, Future Teachers of America, German Club, Latin Club, Science Club, and Spanish Club. Also, membership and support was visible by those who worked in Student Congress, Vocational Industrial Clubs, and school publications.

Because of these programs, freshman Shelly Hulsey said that high school was very exciting and offered many opportunities.

"The outstanding characteristic of the Freshman Class," said Patsy Fisher, ninth grade counselor, "is the size. This class is the largest so far. Six hundred and fifty-eight students make up the class." Tammy Price and Kristy Ellis said they have made many new friends due to the size of their class. "I'm looking forward to next year because as the saying goes, 'The grass is always greener on the other side.' "

1984 Alcalde Colophon

The 1984 John Tyler *Alcalde* was produced in the Magazine Journalism Production class during seventh period under the instruction of Wilma LeNoir. John Tyler High School is located at 1120 NNW Loop 323, Tyler, Texas 75702.

The cover is an original design by Dick Johns. The theme, *Check Out John Tyler,* was suggested by newspaper staffer Steven Dumas. The silk screen of Blue 248 is printed over Silver base 915. The front endsheet, designed in four-color, and the opening section were prepared by editors Renee Hudnall and Marvena Garrett. The new concept of placing advertising through the *Alcalde* was the responsibility of business manager Kelley Melton. The back endsheet, using black and white photographs, with a blue 20 percent screen, was placed next to a design of three point solid and one point border. Type for the inside of the yearbook was in Helvetica Standard 46. Headlines were 30 point within the book and 36 point on division pages. Copy blocks were set in 10 point. Captions, using a bold faced lead-in, were set in 8 point. Division pages consisted of an original design, using two overlays. The background of horizontal areas was printed, using a combination of solid black, white, solid blue, and a 20 percent screen of black. The first overlay was a page of type, using divisions titles in a repeated form. The second overlay included a drawing of a check mark with a photo inserted into the check area. The left page of the division section included a single, bleed photograph with part of the heading in reverse and part printed in solid black. Pages were produced on 80 pound enamel stock, using offset printing by Taylor Publishing Company of Dallas. Nancy Jones of Taylor served as the in-plant liason and Bill Henderson serviced the *Alcalde* account.

Color photographs of endsheets were made by Mark Muckelroy of the Tyler Independent School District. The contract for senior portraits and underclass pictures was made through National School Studios. Some sports pictures for basketball, soccer, and track were provided by the *The Tyler Courier Times-Telegraph.* Steve Self of *The After Image* assisted with special black and white pictures.

Press run for the 1984 *Alcalde* was 600 for the 9x12 format of 240 pages. Layout design was a three column style with all roughs and finished work produced by the staff. The mosaic design, using a one pica spacing, appeared throughout the book. Senior credit copy was set on Compugraphic editwriter 2750 by senior class editor Dee Hanson, and page copy was written and edited by staffers. Jeri Sanders of the Graphics Department of TISD assisted with special effects.

Distribution of *Alcalde* was during August as part of the contract for summer delivery to John Tyler High School.
